2. Complete the Graduate Student Health History form. This form can be downloaded by logging on to http://biola.edu/offices/healthcenter/media/downloads/Grad_Health_History.pdf
Completion of this form may require a TB skin test, which can be done at the Biola's Health Center.
3. When both the enrollment deposit and Health History have been received and processed by our admissions office, you will have access to Biola University's online web registration system (WebReg).

❑ **Speak with your advisor and select your courses.**

1. Contact the Apologetics department at 888.332.4652 to schedule an advising session (either by phone or in person) with Bo Lee.
2. Consult the Curriculum Worksheet, designed for you to begin to plan your course of study. Your advisor can guide you based on your preferred time frame for completion. You can view Biola's online class schedule by logging on to http://wisdom2.biola.edu/register/static_schedule2/.

❑ **Register for your courses.**

1. Learn the exact dates for your registration period (January for Spring semester, August for Fall semester) and register for your courses by accessing WebReg (<http://www.biola.edu/webreg>). If you do not have your NetID and NetID password, click the link "First Time Logging In?" From there, you will be able to obtain the necessary passwords after entering your Biola ID number. If you do not have your Biola ID number, please contact your advisor. **Important:** Remember to keep these passwords. You will use them every time you register and whenever you access the Biola Portal.
2. After entering WebReg, follow the instructions to confirm your e-mail address. Then continue to the registration process.
3. There are several steps to the registration process. Begin with the Add/Drop Classes screen. View the class schedule by clicking "Look for Classes". Each class comes with a four-digit call number, which should be in the far left column of the class schedule.
4. Add classes to your schedule using the four-digit call number for each class. Follow through the remaining WebReg steps to complete your registration. There may be several steps to WebReg regarding issues that may seem irrelevant to the graduate learning experience (housing, meal plans, etc.). You can pass through much of these sections quickly.
5. **Please note that you are not officially registered until payment has been made for your courses.** You may pay for courses with a credit card (either online or by calling the Cashier at 562.944.0351 x.5054), OR by sending a check which arrives **on or before** the last day of registration.
6. Our department secretary, Christy Giannestras, will send the syllabi for your courses a few days prior to the start of the semester. Be sure to follow all of the due dates for your assignments!
