* Choose 12 units of electives from approved list (see back of chart). See KHPE Department for advisement.

** If two years of the same foreign language is not taken in high school, four units at college level will be required for graduation.

NOTE: This curriculum chart is designed with your major department and is one way that the classes will work out properly in sequence for your major. However, there are alternative flexible ways to rotate some of the classes within the same year/level and sometimes between year levels. Please contact your major department advisor to discuss flexible alternatives in scheduling the sequence of your classes.

Use the unit value as recorded on your last copy of transfer evaluation.
