* PHIL 215 is strongly recommended

** Torrey Honors Thesis is optional for graduation. Required for Torrey certificate. Students must have required number of units for graduation.

Students who have not had two years of the same foreign language in high school will need to take four units of foreign language.

#PHIL 215 is strongly recommended.

Neurobiology is offered alternate years.

The eight units of general education math/science requirement are met by the completion of the major.

NOTE: This curriculum chart is designed with your major department and is one way that the classes will work out properly in sequence for your major. However, there are alternative flexible ways to rotate some of the classes within the same year/level and sometimes between year levels. Please contact your major department advisor to discuss flexible alternatives in scheduling the sequence of your classes.
